

Lot # 1
Russ Vogt
Totem
Ceramic on metal plinth

Condition Report

This lot is in overall good condition with wear commensurate with being an outdoor sculpture. The 8th element from the top does have a chip in the ceramic. This report will not disclose any condition problems that may be a result of subsequent restoration.

Disclaimer:

This condition report has been prepared as a courtesy free of charge by the Larsen Gallery and is no substitute for physical inspection of the lot by interested bidders. This condition report was not prepared by a professional conservator. All lots are sold "AS IS" with all imperfections. The Larsen Gallery provides no warranties that illustrations and information in this report, in the catalog or on the auction's website or otherwise conveyed provide a complete or accurate description of the lot. It is strongly advised that lots should be viewed personally by interested bidders, interested bidders' professional representative or conservator prior to sale. Please refer to the Terms and Conditions of Sale listed in the catalog and at larsenartauktion.com.
